

## 8801

# CHEMPIOIL SYNCRO GLV

CHEMPIOIL Syncro GLV is a synthetic transmission oil with „extreme pressure“ properties, specially composed in order to prevent corrosion on copper alloys. It's applied in up-to-date gear boxes and some rear axles, specially where gear shift problems occur when using thicker oils.

### **Corresponds with requirements / specifications / products:**

SAE 75W-90  
API GL-4/GL -5 LS  
MAN 342 Type M1/M2/M3  
MACK GO-J/GO-J Plus  
SCANIA STO 1:0

### **Volume / weight**

1L (CH8801-1ME)  
1L (CH8801-1)  
4L (CH8801-4)  
4L (CH8801-4ME)  
10L (CH8801-10)  
20L (CH8801-20)  
60L (CH8801-60)  
208L (CH8801-DR)

1000L (CH8801-IBC)
