

2901 / 2902 / 2903 / 2904 CHEMPIOIL COMPRESSOR OIL

CHEMPIOIL Compressor Oil is special mineral oil on the highly purified basic, designed for lubrication of pneumatic tools, reciprocating and rotary compressors. Ashless additive package prevents the formation of high-temperature deposits. Has excellent anti-corrosion, anti-wear and extreme pressure characteristics.

CHEMPIOIL 2901 COMPRESSOR OIL - ISO 46
CHEMPIOIL 2902 COMPRESSOR OIL - ISO 100
CHEMPIOIL 2903 COMPRESSOR OIL - ISO 150
CHEMPIOIL 2904 COMPRESSOR OIL - ISO 220
